As we approach the end of 2022, we show gratitude for a year where 'lockdown' was a thing of the past, and where we continued with life as normal. We worked, we played, we celebrated life, and we embraced many new opportunities.

During December, the management and administrative teams attended a celebration and team building event, where we came together as one to reminisce about the year gone by. We celebrate those who showed exemplary efforts and who gave of themselves to ensure the smooth running of their divisions.

GP Retail and GPR Training Academy also hosted a graduation ceremony for the learners living with disabilities, which we hosted for 16 months. Learners proudly accepted their certificates for either the NQF level 1 or the NQF level 2 qualifications. We congratulate and commend all learners and wish them the best with their future endeavours in the workplace.

May your festive season be filled with joy, peace, love and acceptance. We look forward to entering 2023 with all our valued employees, suppliers and clients. Many blessings to you all!

Charis vd Merwe, Chief HR & Training Officer
