

GP Retail Times Employee Service Awards

GP Retail Operations proudly celebrated employees who qualify for long service awards at the company. The categories for these awards are 5 years, 10 years, 15 years and 20 years.

The awards are issued annually at the beginning of March, and includes all active employees who qualify for an award as at 1 February of the specific year.

For the 5-years service awards, 288 employees received certificates. A total of 64 employees qualified for the 10-year award, and 10 employees qualified for 15 years of service. The most special award of them all, is the 20 year service certificates, of which we had 4 employees who celebrated this prestigious award.

Our sincere gratitude to all employees who had proven their dedicated and loyal contributions towards the company. It really is exemplary to see such steadfast commitment to their employer. We are beaming with pride!
